TEEN & ADULT FACE PAINTING HELPERS

NAME _____ ADDRESS _____ PHONE _____

Adults and youth who are at least 15 years old as of August 27th who enjoy sharing their artistic abilities are invited to volunteer for shifts in the booth painting faces of fairgoers. Designs and equipment are provided. All volunteers are expected to be able to exhibit responsibility, work independently, use good judgment, and communicate well with children and the public.

The Face Painting booth in the CCE Building at Fonda Fair is a fund development tool for Cooperative Extension in Fulton and Montgomery Counties. Because of its high visibility the operation also brings much attention to the organization.

A sufficient number of volunteers must be on duty to open for the shifts indicated below. When the booth needs to be closed due to lack of volunteers, revenue is lost in addition to reflecting poorly on 4-H and CCE. Please help out when and where you are able.
